About Us

Rebuilding Together Seattle is a registered nonprofit organization that provides **entirely free home repair services** for low-income homeowners and nonprofit facilities. We are part of the Rebuilding Together national affiliate network. Our work is made possible by volunteers and charitable donations.

Our Programs

We operate our services year-round through programs that match either individual volunteers, small teams, or large groups to address as many repairs and home improvements as we have the technical expertise and financial resources to complete.

We are able to consider most repair requests, however, Rebuilding Together Seattle <u>does not offer</u> emergency repair services, roof replacements, foundation stabilization, cosmetic repairs, and certain major plumbing (such as a new side sewer system) or major electrical (such as panel upgrades or whole house rewiring) work.

Basic Criteria

To be considered for our programs, homeowners must meet the following criteria:

- ✓ You must be the legal property owner
- ✓ You must currently live in the home and plan to remain living in the home for at least the next 3 years
- ✓ You must be low-income and reasonably unable to complete the work on your own
 - The income limits for a household of the following sizes are:

1 person	2 people	3 people	4 people	5 people	6 people	
\$47,950	\$54,800	\$61,650	\$68,500	\$74,000	\$79,500	

• If you served in the US military or are the spouse of a deceased veteran, our income limits are:

1 person	2 people	3 people	4 people	5 people	6 people	
\$70,650	\$80,750	\$90,850	\$100,900	\$109,000	\$117,050
